

# ENVIRONMENT POLICY

British Sugar believes that protection of the environment is everyone's responsibility and all employees are accountable for environmental performance.

British Sugar is committed to:

- Fulfilling its compliance obligations for all appropriate environmental legislation and other requirements relating to the activities of the company
- Protecting the environment through the prevention of pollution
- Enhancing its environmental performance through the continual improvement of the environment management system and a process of monitoring, measuring and reviewing its significant environmental impacts
- Minimising the environment impact of our energy use across our operations, and implementing a responsible energy purchasing policy

This policy statement is communicated to all of British Sugar's employees and contractors.
